few brands that we know of and comments on them are:- Cytomel made by Pfizer (was King Pharmaceutical. Now owned by Pzfier (updated 12/12). is the main branded T3 drug in the USA against which others are compared. It is available Which DO YOU think is the best and most stabile t3 in Europe? what are your experiences if you have tried different brands. Some seem to misinterpret my post, I wish to discuss different types of t3 medications and their effectiveness and not have a philosophical discussion about "there is no best brand and everything is completely individual".

Tiromel (T3), brand name for substance liothyronine sodium is a thyroid hormone. It is used to treat thyroid insufficiency (hypothyroidism). Taking of T3 causes a faster conversion of carbohydrates, proteins, and fats. Roco Bama. Member. I used rc t3 in the past but haven't noticed any fat loss. I heard pharma grade t3 is the way to go. Have any of you tried abdi Ibrahim t3 from turkey or novotiral, Merck from Mexico. If not, Which brand would you recommend. Jul 2, 2016. #2.

🌲 Best Wishes 🌲. I used T3 (Cynomel, Tiromel and then another brand) and would lose a couple of

pounds here, back on in winter and during that time I exercised to an extent that many twenty years younger than me could barely handle - I was super fit and had an exemplary - long term - eating plan. still nothing changed the weight gain. [click for more](#)

Tiromel, the leading brand name for Cytomel, is a thyroid hormone. A synthetically manufactured compound known as liothyronine sodium, it assists the regulating the use of energy and the creation of proteins. Ric Drasin who trained with Arnold Schwarzenegger at Gold's Gym Venice Beach in the 1970's has confirmed that he, Arnold, and all the other bodybuilder's of the time commonly used Cytomel / Tiromel Brand T3 thyroid hormone to cut up and strip body fat in preparation for competition.

Joined. Nov 28, 2014. Messages. 635. I've also used Tiromel. It works just as well as Cytomel for me. I find it easier to split into small doses; cytomel tends to crumble more. Feb 20, 2020. #5.

(buy): T3, Cytomel, Cynomel, Grossman cynomel, online mexican pharmacy, liothyronine (generic name of t3) Cytomel is a common namebrand of quality t3, and Cynomel (with n) is the mexican

version of cytomel. That's what I used to take and it worked GREAT. [published here](#)
