Please join this discussion about Anyone try Anadrol and Winstrol together? within the Anabolic Steroids category. Excerpt: I have been reading up on tnation as well as Professional muscle about guys Swearing by 100mg Drol and 50mg and winstrol. I guess they work very well together because of the "non-class synergy"... In this case with Winstrol and Anadrol I would dose 25mg of each....no higher. I don't see a problem with that, but 50mg of each is just being careless and reckless. You will trash your liver and lipids, and probably feel like shit doing that. I think NY ROBO uses Drol and Winny, hopefully he'll pop in here. Anadrol Best Steroid - Winstrol Y Anadrol. Comment.
